

FILING DEADLINE FOR 2021
LOCAL APPEAL: MARCH 1, 2022
BOARD OF TAX & LAND APPEALS/
SUPERIOR COURT: ON OR BEFORE
SEPTEMBER 1, 2022

CITY OF LACONIA
TAXPAYER'S RSA 76:16 ABATEMENT APPLICATION
TAX YEAR 2021

**** PLEASE READ ENTIRE APPLICATION BEFORE COMPLETING THIS FORM****

Dear Taxpayer:

1. Complete the application by typing or printing legibly in ink. **This application does not stay the collection of taxes; taxes should be paid as assessed. If abatement is granted, a refund with interest will be made.**
2. File this application with the municipality by the deadline (see above). Date of filing is the date this form is either hand delivered to the municipality, postmarked by the post office, or receipted by an overnight delivery service. **Applications sent by facsimile or E-mail will not be accepted.**

DEADLINES: The "notice of tax" means the date the board of tax and land appeals (BTLA) determines the last tax bill was sent by the municipality. (If your municipality bills twice annually, you must apply after the bill that establishes your final tax liability and not before.)

Step One: Taxpayer must file the abatement application with the municipality by March 1 following the notice of tax.

Step Two: Municipality has until July 1 following the notice of tax to grant or deny the abatement application.

Step Three: Taxpayer may file an appeal **either** at the BTLA (RSA 76:16-a) or in the Superior Court (RSA 76:17), but not both. An appeal must be filed:

1. **No earlier than:** a) after receiving the municipality's decision on the abatement application; or b) July 1 following the notice of tax if the municipality has not responded to the abatement application; and
2. **No later than** September 1 following the notice of tax.

FORM COMPLETION GUIDELINES:

1. **SECTION E.** Municipalities may abate taxes "for good cause shown" RSA 76:16. Good cause is generally established by showing an error in the assessment calculation or a disproportionate assessment. Good cause can also be established by showing poverty and inability to pay the tax.
2. **SECTION G.** If the abatement application is based on disproportionate assessment, the taxpayer has the burden to show how the assessment was disproportionate. To carry this burden the taxpayer must show: a) what the property was worth (market value) on the assessment date; and b) the property's "equalized assessment" exceeded the property's market value. To calculate the equalized assessment, simply divide the assessment by the municipality's equalization ratio (assessment / ratio). Because a property's market value is a crucial issue, taxpayers must have an opinion of the market value estimate. This value estimate can be shown by obtaining an appraisal or presenting sales of comparable properties.
3. **SECTION H.** The applicant(s) must sign the application even if a representative (e.g. Tax Representative, Attorney, or other advocate) completes Section I.
4. **Make a copy of this document for your own records.**

SECTION E. Reasons for Abatement Application

RSA 76:16 provides that an abatement may be granted for "good cause shown". "Good cause" generally means: 1) establishing an assessment is disproportionate to market value and the municipality's level of assessment; or 2) establishing poverty and inability to pay the tax. This form can be utilized for either basis of requesting an abatement. **The taxpayer has the burden to prove good cause for an abatement.** To carry this burden, the taxpayer generally must show what the property was worth on April 1 of the year appealed. The property's market value would then be compared to the assessment by using the municipality's assessment ratio. Therefore, comparable sales or other market information are an essential part of most abatement applications.

1) If claiming disproportionality, state with specificity all the reasons supporting your application. Statements such as "taxes too high", "disproportionately assessed" or "assessment exceeds market value" are insufficient. Generally, specificity requires the taxpayer to present material on the following (all may not apply):

- a) **Physical data** -- incorrect description or measurement of property (if you are appealing your assessment due to factual error(s), please explain in detail. Please furnish the assessor's office with any and all information, which supports your reasons. Examples: Sketch of building(s) with outside dimensions, building contracts, surveys, deeds, site plans, appraisals, pictures, etc. If you are questioning land area or frontage, a deed or survey must be included.); and/or
- b) **Market data** -- the property's value on the April 1 assessment date, supported by comparable sales, income analysis, or a professional opinion of value; and/or
- c) **Assessment data** -- the property's assessment exceeds the general level of assessment shown by comparing the property's market value and the city-wide level of assessment.

NOTE: If you have an appraisal or other documentation, please submit it with this application.

2) If claiming poverty or inability to pay, state in detail why abatement of taxes is appropriate as opposed to some other relief such as relocating, refinancing, or obtaining some alternative public assistance. Ansara v. City of Nashua, 118 N.H. 879 (1978).

(Attach additional sheets if needed.)

SECTION F. Taxpayer's(s') Opinion of Market Value

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
